

21st Colloque GANIL Strasbourg, 9th-13th September 2019

First announcement

The 21st Colloque GANIL will be held from 9th to 13th September 2019 in Strasbourg, France.

The purpose of the conference is to review and discuss the research carried out at GANIL and related activities around the world. Traditionally the Colloque will cover the range of topics addressed at GANIL :

- Nuclear structure
- Nuclear dynamics
- Nuclear astrophysics
- Fundamental interactions
- Interdisciplinary research
- Theoretical developments
- Applications
- Instrumentation and technical developments

The Colloque will start on Monday, 9th September and will finish on Friday 13th September at noon.

The Colloque will be held in the Hilton Hotel, located near the European Parliament and not far from the historical city center of Strasbourg. The reduced registration fee including 5 nights (from Sunday evening to Friday), full board (from Monday morning to Friday lunch) and conference dinner is **550 euros (VAT included) in a single room and 250 euros in a double room.**

The program of the Colloque will include a number of invited review talks followed by contributed, shorter talks, selected on the basis of abstracts. A poster session will be also organized to allow presentations of all submitted contributions. The best poster presentations and the best oral presentation by a graduate student will be awarded a prize.

Sessions will take place in the mornings and in the late afternoon. Longer breaks in the mid-day are foreseen to let participants exchange in a relaxed atmosphere and profit from the city

of Strasbourg and the surrounding areas (excursions will be proposed). We ask interested people to stay for the 5 full days of the conference to increase the interactions among the participants.
